OFFICE OF LEGISLATIVE COUNSEL

Wednesday - 14 January 1970

1. (Unclassified - GLC) Talked with Miss Gerry Sawislak, in the office of Senator William Proxmire (D., Wis.), about the letter they had received from Professor Melvin Croan, of the University of Wisconsin, for certain FBIS area books. I gave Miss Sawislak no assurance that Professor Croan would be put on the mailing list for these books but told her that we plan to have an Agency representative visit him to see if we could be of assistance to him.
2. (Secret - GLC) Hand carried to William Woodruff, on the staff of the Senate Appropriations Committee, our last withdrawal letter on the Radios and the Director's letter advising Chairman Russell that we were contacting the Bureau of the Budget to balance our reserve account now that our appropriation has been authorized.
3. (Unclassified - JGO) Received a call from Miss Noble, in the office of Senator Alan Cranston (D., Calif.), concerning the request of a constituent recently released from the military for information whether the CIA supports or is associated with the Institute of Foreign Trade in Phoenix, Arizona. I advised Miss Noble that the Institute is not associated with this Agency. In response to her request, I suggested several sources of possible information on the Institute.
4. (Internal Use Only - JGO) Met with Mr. J. Garner Cline, Counsel, House Judiciary Committee, and discussed with him the various meetings with Representative Joshua Eilberg (D., Pa.) concerning the Representative's recent trip to the Soviet Union. Mr. Cline advised that the information he had received back from the Representative indicated that he was most pleased with the assistance provided by the Agency.
